To the Troy School Board:

I submit herewith my twelfth annual report as Superintendent of Schools, this being the thirtieth in the series under union supervision.

The only changes in the teaching force at the opening of the present school year were in the junior high school, and the position of supervisor of music. Miss Helen MacGowan, who did excellent work in the high and junior high school during the past year declined to return, and Miss Laura L. Kononan, a graduate of the three year course at Keene Normal School was elected as her successor.

For supervisor of music we were able to secure the services of Mrs. Mildred H. Whitecomb who served in this position most acceptably several years ago.

The enrollment in senior high school for the present school year is thirty-four, the total enrollment for last year being thirty-eight. The enrollment in the junior high school is thirty-four also, an increase of two over last year. The enrollment for the primary building shows a decided decrease from last year and the year previous. The total enrollment for all schools for the school year 1926-27 was 355; for 1927-28 it was 336; for 1928-29 it was 318, and for the first twelve weeks of 1929-30 it was only 280. The enrollment for the several grades runs from 25 in grade three to 37 in grade six.

The high, junior high and primary schools are showing very satisfactory work during the present year. Thus far this year the attendance has been much better than last year when sickness during the winter greatly reduced the roll of perfect attendance.

Special attention has been given to the health of the pupils during the early part of the present school year. Mrs. Marion K. Warner of Keene has been employed as school nurse, and she has made weekly visits to the schools, carrying on follow up work very efficiently.

In closing I desire to thank the school board, **teachers**, pupils, and all interested parents and citizens who so generously supported our schools during the past year.

Very truly yours,

LEWIS S. RECORD,

Superintendent of Schools.

East Jaffrey, N. H., Feb. 1, 1930.
